APPENDIX A TO PART 1250—NASA FEDERAL FINANCIAL ASSISTANCE TO WHICH THIS PART APPLIES

AUTHORITY: Sec. 602, 78 Stat. 252, 42 U.S.C. 2000d-1; and the laws listed in appendix A to this part.

SOURCE: 30 FR 301, Jan. 9, 1965, unless otherwise noted.

§ 1250.100 Purpose.

The purpose of this part is to effectuate the provisions of Title VI of the Civil Rights Act of 1964 (hereafter referred to as “the Act”) to the end that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance from the National Aeronautics and Space Administration, hereinafter referred to as NASA.

§ 1250.101 Applicability.

(a) *Covered programs.* (1) This part applies to any program for which Federal financial assistance is authorized under a law administered by NASA, including the types of Federal financial assistance listed in appendix A to this part.

The fact that a type of Federal assistance is not listed in appendix A shall not mean, if Title VI of the Act is otherwise applicable, that a program is not covered. Other types of Federal financial assistance under statutes now in force or hereafter enacted may be added to appendix A by notice published in the FEDERAL REGISTER.

(2) This part applies to money paid, property transferred, or other Federal financial assistance extended after the effective date of this part pursuant to an application approved prior to such effective date.

(b) *Excluded activities.* This part does not apply to (1) any Federal financial assistance by way of insurance or guaranty contracts, (2) money paid, property transferred, or other assistance extended before the effective date of this part, except as provided in paragraph (a) of this section, (3) any assistance to any individual who is the ultimate beneficiary, (4) any employment practice, under any such program, of any employer, employment agency, or labor organization, except as provided in § 1250.103-3, (5) contracts not covered in the types of Federal financial assistance listed in appendix A, or (6) advances, V-loans, and other financial assistance made incident to NASA procurements not covered in the types of Federal financial assistance listed in appendix A.

§ 1250.103 Discrimination prohibited.

§ 1250.103-1 General.

No person in the United States shall, on the ground of race, color or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program to which this part applies.

§ 1250.103-2 Specific discriminatory acts prohibited.

(a) A recipient to which this part applies may not, directly or through contractual or other arrangements, on ground of race, color, or national origin:

(1) Deny an individual any service, financial aid, or other benefit provided under the program;

(2) Provide any service, financial aid, or other benefit to an individual which is different, or is provided in a different manner, from that provided to others under the program;

(3) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any program to which this regulation applies, on the grounds of race, color, or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this regulation.

(4) Subject an individual to segregation or separate treatment in any matter related to his receipt of any service, financial aid, or other benefit under the program;

(5) Restrict an individual in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service, financial aid, or other benefit under the program;

(6) Treat an individual differently from others in determining whether he satisfies any admission, enrollment, quota, eligibility, membership or other requirement or condition which individuals must meet in order to be provided any service, financial aid, or other benefit provided under the program;

(7) Deny an individual an opportunity to participate in the program through the provision of services or otherwise or afford him an opportunity to do so which is different from that afforded others under the program (including the opportunity to participate in the program as an employee but only to the extent set forth in §1250.103-3).

(b) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any such program, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program, or the class of individuals to be afforded an opportunity to participate in any such program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting individuals to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program as respects individuals of a particular race, color, or national origin.

(c) As used in this section the services, financial aid, or other benefits provided under a program receiving Federal financial assistance shall be deemed to include any service, financial aid, or other benefit provided in or through a facility provided with the aid of Federal financial assistance.

(d) A recipient may not take action that is calculated to bring about indirectly what this part forbids it to accomplish directly.

(e) The enumeration of specific forms of prohibited discrimination in this section does not limit the generality of the prohibition in §1250.103-1. This regulation does not prohibit the consideration of race, color, or national origin if the purpose and effect are to remove or overcome the consequences of practices or impediments which have restricted the availability of, or participation in, the program or activity receiving Federal financial assistance, on the grounds of race, color, or national origin. Where previous discriminatory practices or usage tends, on the grounds of race, color, or national ori-

gin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program or activity to which this regulation applies the applicant or recipient has an obligation to take reasonable action to remove or overcome the consequences of the prior discriminatory practice or usage, and to accomplish the purpose of the Act.

[30 FR 301, Jan. 9, 1965, as amended at 38 FR 17936, July 5, 1973; 68 FR 51350, Aug. 26, 2003]

§ 1250.103-3 Employment practices.

(a) Where a primary objective of the Federal financial assistance to a program to which this part applies is to provide employment, a recipient may not directly or through contractual or other arrangements subject an individual to discrimination on the ground of race, color, or national origin in its employment practices under such program (including recruitment or recruitment advertising, employment, layoff or termination, upgrading, demotion, or transfer, rates of pay or other forms of compensation, and use of facilities), including programs where a primary objective of the Federal financial assistance is (1) to assist such individuals through employment to meet expenses incident to the commencement or continuation of their education or training, or (2) to provide work experience which contributes to the education or training of such individuals.

(b) Employment opportunities provided in connection with any of the types of Federal financial assistance listed in appendix A, which opportunities are limited, or for which preference is given, to students, fellows, or other persons in training for the same or related employments, are programs of the kind described in paragraph (a)(1) and (2) of this section.

(c) The requirements applicable to construction employment under any such program shall be those specified in or pursuant to Executive Order 11246 or any Executive order which supersedes it.

(d) Where a primary objective of the Federal financial assistance is not to provide employment, but discrimination on the grounds of race, color, or national origin in the employment

§ 1250.103-4

14 CFR Ch. V (1-1-23 Edition)

practices of the recipient or other persons subject to the regulation tends, on the grounds of race, color, or national origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program to which this regulation applies, the provisions of paragraph (a) of this section shall apply to the employment practices of the recipient or other persons subject to the regulation, to the extent necessary to assure equality of opportunity to, and nondiscriminatory treatment of, beneficiaries.

[30 FR 301, Jan. 9, 1965, as amended at 38 FR 17936, July 5, 1973; 68 FR 51350, Aug. 26, 2003]

§ 1250.103-4 Illustrative applications.

(a) In training grant services discrimination is forbidden in the selection or eligibility of individuals to be trained and in their treatment by the grantee during their training. In any case where selection is made from a predetermined group, such as the students in an institution, the group must have been selected without discrimination.

(b) In a research or training grant to a university for activities to be conducted in a graduate school, discrimination in the admission and treatment of students in the graduate school is prohibited and the prohibition extends to the entire university.

(c) Discrimination in the treatment of students or other trainees includes the prohibition of discrimination among the students or trainees in the availability or use of any academic, dormitory, eating, recreational, or other facilities of the grantee or other recipient.

(d) In a research or training grant, discrimination is prohibited with respect to the availability of any educational activity and any provision of medical or other services and any financial aid to individuals incident to the grant.

(e) Upon transfers of real or personal property for research or educational uses, discrimination is forbidden to the same extent as in the case of grants for the construction of facilities or the provision of equipment for like purposes.

(f) In some situations even though past discriminatory practices have been abandoned, the consequences of such practices continue to impede the full availability of a benefit. If the efforts required of the applicant or recipient under §1250.105 to provide information as to the availability of the program or activity, and the rights of beneficiaries under this regulation, have failed to overcome these consequences, it will become necessary for such applicant or recipient to take additional steps to make the benefits fully available to racial and nationality groups previously subjected to discrimination. This action might take the form, for example, of special arrangements for obtaining referrals or making selections which will insure that groups previously subjected to discrimination are adequately served.

(g) Even though an applicant or recipient has never used discriminatory policies, the services and benefits of the program or activity it administers may not in fact be equally available to some racial or nationality groups. In such circumstances an applicant or recipient may properly give special consideration to race, color, or national origin to make the benefits of its program more widely available to such groups, not then being adequately served. For example, where a university is not adequately serving members of a particular racial or nationality group, it may establish special recruitment policies to make its program better known and more readily available to such group, and take other steps to provide that group with more adequate service.

[30 FR 301, Jan. 9, 1965, as amended at 38 FR 17937, July 5, 1973; 68 FR 51350, Aug. 26, 2003]

§ 1250.103-5 Special benefits.

An individual shall not be deemed subjected to discrimination by reason of his exclusion from the benefits limited by Federal law to individuals of a particular race, color, or national origin different from his.

[30 FR 301, Jan. 9, 1965, as amended at 68 FR 51350, Aug. 26, 2003]

§ 1250.103-6 Medical emergencies.

Notwithstanding the provisions of §§ 1250.103 to 1250.103-5, a recipient of Federal financial assistance shall not be deemed to have failed to comply with § 1250.103-1, if immediate provision of a service or other benefit to an individual is necessary to prevent his death or serious impairment of his health, and such service or other benefit cannot be provided except by or through a medical institution which refuses or fails to comply with § 1250.103-1.

§ 1250.104 Assurances.

(a) *General requirement.* Every application for Federal financial assistance to which this part applies, and every application for Federal financial assistance to provide a facility shall, as a condition to its approval and the extension of any Federal financial assistance pursuant to the application, contain, be accompanied by, or identify and make reference to, an assurance that the program will be conducted or the facility operated in compliance with all requirements imposed by or pursuant to this part. If the assurance is not made a part of the application, the application shall identify the assurance which is applicable to the application. One assurance shall suffice for all applications of an applicant if the assurance complies with the conditions made applicable by this part to each such application for Federal financial assistance. Every assurance shall include provisions which give the United States a right to seek its judicial enforcement.

(b) *Duration of assurances.* The period of time to be covered by the assurances required under this § 1250.104 shall be as follows:

(1) *Real property.* In the case of an application for Federal financial assistance for providing real property or structures thereon, the assurance shall obligate the recipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) *Personal property.* In the case of an application for Federal financial assist-

ance for providing personal property, the assurance shall obligate the recipient for the period during which he retains ownership or possession of the property.

(3) *Other kinds of Federal financial assistance.* In the case of an application for any other kind of Federal financial assistance, the assurance shall obligate the recipient for the period during which Federal financial assistance is extended pursuant to the application.

(c) *Assurances for research, training, or educational programs.* (1) In the case of application by an institution of higher education or any other organization for Federal financial assistance for a program or activity which involves participation by students, fellows or trainees, including but not limited to assistance for research, training, or the provision of facilities, the assurance required by this § 1250.104 shall extend to admission practices and to all other practices relating to the treatment of students or other participants.

(2) The assurances from such an applicant shall be applicable to the entire organization of the applicant.

(d) *Assurances for construction of facilities.* In the case of assistance for the construction of a facility, or part thereof, the assurance shall extend to the entire facility and to facilities operated in connection therewith. In grants to assist in the construction of facilities for the provision of research, training, or educational services, assurances will be required that services will be provided without discrimination, to the same extent that discrimination would be forbidden as a condition of grants for the support of such services. Thus, as a condition of grants for the construction of academic, research or other facilities at institutions of higher education, assurances will be required that there will be no discrimination in the admission or treatment of students. Also, see paragraph (c) of this section for the requirement as to the applicability of the assurance to the applicant's organization.

(e) *Instrument effecting or recording transfers of real property.* The instrument effecting or recording the transfer, shall contain a covenant running

§ 1250.105

14 CFR Ch. V (1-1-23 Edition)

with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. Where no transfer of property is involved, but property is improved with Federal financial assistance, the recipient shall agree to include such a covenant in any subsequent transfer of such property. Where the property is obtained from the Federal Government, such covenant may also include a condition coupled with a right to be reserved by NASA to revert title to the property in the event of a breach of the covenant where, in the discretion of the responsible NASA official, such a condition and right of reverter is appropriate to the statute under which the real property is obtained and to the nature of the grant and the grantee.

(f) *Assurances for transfer of surplus real property.* Transfers of surplus property are subject to regulations issued by the Administrator of General Services (41 CFR 101-6.2).

(g) *Form of assurances.* The responsible NASA officials shall specify the form of assurances required by this §1250.104 and the extent to which like assurances will be required by subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants in the program.

(h) *Requests for proposals.* Any request for proposals issued by NASA which relates to covered financial assistance listed in appendix A shall have set forth therein or have attached thereto the assurance prescribed in accordance with paragraph (g) of this section, and shall require that the proposer either include the assurance as a part of his signed proposal or identify and refer to an assurance already signed and submitted by the proposer.

[30 FR 301, Jan. 9, 1965, as amended at 38 FR 17937, July 5, 1973; 68 FR 51350, Aug. 26, 2003]

§ 1250.105 Compliance information.

(a) *Cooperation and assistance.* Each responsible NASA official shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this part and shall

provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) *Compliance reports.* Each recipient shall keep such records and submit to the Principal Compliance Officer or his designee timely, complete and accurate compliance reports at such times, and in such form and containing such information, as the Principal Compliance Officer or his designee may determine to be necessary to enable him to ascertain whether the recipient has complied or is complying with this part. In the case in which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part.

(c) *Access to sources of information.* Each recipient shall permit access by the Principal Compliance Officer or his designee during normal business hours to such of its books, records, accounts and other sources of information, and its facilities as may be pertinent to ascertain compliance with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution or person and that agency, institution or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program for which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the Principal Compliance Officer finds necessary to apprise such persons of the protection against discrimination assured them by the Act and this part.

[30 FR 301, Jan. 9, 1965, as amended at 68 FR 51350, Aug. 26, 2003]

§ 1250.106 Conduct of investigations.

(a) *Periodic compliance reviews.* The responsible NASA official or his designee

shall from time to time review the practices of recipients to determine whether they are complying with this part.

(b) *Complaints.* Any person who believes himself or any specific class of individuals to be subjected to discrimination prohibited by this part may by himself or by a representative file with the Principal Compliance Officer or his designee a written complaint. A complaint must be filed not later than 90 days from the date of the alleged discrimination, unless the time for filing is extended by the Principal Compliance Officer or his designee.

(c) *Investigations.* The Principal Compliance Officer or his designee will make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part. The investigation should include, where appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this part.

(d) *Resolution of matters.* (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this part, the Principal Compliance Officer or his designee will so inform the recipient and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in §1250.107.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section, the responsible NASA official or his designee will so inform the recipient and the complainant, if any, in writing.

(e) *Intimidatory or retaliatory acts prohibited.* No recipient or other person shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by section 601 of the Act or this part, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of

complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

§ 1250.107 Procedure for effecting compliance.

(a) *General.* If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) *Noncompliance with § 1250.104.* If an applicant fails or refuses to furnish an assurance required under §1250.104 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. NASA shall not be obligated to provide assistance in such a case during the pendency of the administrative proceedings under such subsection except that NASA shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefor approved prior to the effective date of this part.

(c) *Termination of or refusal to grant or to continue Federal financial assistance.* No order suspending, terminating or refusing to grant or continue Federal financial assistance shall become effective until (1) the responsible NASA official has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the

§ 1250.108

record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part, (3) the action has been approved by the Administrator pursuant to §1250.109(e), and (4) the expiration of 30 days after the Administrator has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) *Other means authorized by law.* No action to effect compliance by any other means authorized by law shall be taken until (1) the Principal Compliance Officer has determined that compliance cannot be secured by voluntary means, (2) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance and (3) the expiration of at least 10 days from the mailing of such notice to the recipient or other person. During this period of at least 10 days additional efforts shall be made to persuade the recipient or other person to comply with this part and to take such corrective action as may be appropriate.

[30 FR 301, Jan. 9, 1965, as amended at 38 FR 17937, July 5, 1973]

§ 1250.108 Hearings.

(a) *Opportunity for hearing.* Whenever an opportunity for a hearing is required by §1250.107(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date of such no-

14 CFR Ch. V (1-1-23 Edition)

tice within which the applicant or recipient may request of the Principal Compliance Officer that the matter be scheduled for hearing or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and §1250.107(c) of this part and consent to the making of a decision on the basis of such information as is available.

(b) *Time and place of hearing.* Hearings shall be held at NASA Headquarters in Washington, DC, at a time fixed by the Principal Compliance Officer unless he determines that the convenience of the applicant or recipient or of NASA requires that another place be selected. Hearings shall be held before the Administrator, or, at his discretion, before a hearing examiner designated in conformity with 5 U.S.C. 3105 and 3344 (section 11 of the Administrative Procedure Act).

(c) *Right to counsel.* In all proceedings under this section, the applicant or recipient and NASA shall have the right to be represented by counsel.

(d) *Procedures, evidence, and record.* (1) The hearing, decision, and any administrative review thereof shall be conducted in conformity with 5 U.S.C. 554-557 (section 5-8 of the Administrative Procedure Act), and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments, and briefs, requests for findings, and other related matters. Both NASA and the applicant or recipient shall be entitled to introduce all

relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) *Consolidated or joint hearings.* In cases in which the same or related facts are asserted to constitute non-compliance with this part with respect to two or more Federal statutes, authorities, or other means by which Federal financial assistance is extended and to which this part applies, or non-compliance with this part and the regulations of one or more other Federal departments or agencies issued under Title VI of the Act, the Administrator may, by agreement with such other departments or agencies where applicable, provide for the conduct of consolidated or joint hearings, and for the application to such hearings of rules of procedures not inconsistent with the part. Final decisions in such cases, insofar as this part is concerned, shall be made in accordance with § 1250.109.

[30 FR 301, Jan. 9, 1965, as amended at 38 FR 17937, July 5, 1973; 68 FR 51350, Aug. 26, 2003]

§ 1250.109 Decisions and notices.

(a) *Decision by person other than the NASA Principal Compliance Officer.* If the hearing is held by a hearing examiner, such hearing examiner shall either make an initial decision, if so authorized, or certify the entire record

including his recommended findings and proposed decision to the Principal Compliance Officer for a final decision, and a copy of such initial decision or certification shall be mailed to the applicant or recipient. Where the initial decision is made by the hearing examiner, the applicant or recipient may, within 30 days of the mailing of such notice of initial decision, file with the Principal Compliance Officer his exceptions to the initial decision with his reasons therefor. In the absence of exceptions, the Principal Compliance Officer may on his own motion, within 45 days after the initial decision, serve on the applicant or recipient a notice that he will review the decision. Upon the filing of such exceptions or of such notice of review the Principal Compliance Officer shall review the initial decision and issue his own decision thereon including the reasons therefor. In the absence of either exceptions or a notice of review the initial decision shall constitute the final decision of the Principal Compliance Officer.

(b) *Decisions on record or review by the NASA Principal Compliance Officer.* Whenever a record is certified to the Principal Compliance Officer for decision or he reviews the decision of a hearing examiner pursuant to paragraph (a) of this section, or whenever the Administrator conducts the hearing, the applicant or recipient shall be given reasonable opportunity to file with him briefs or other written statements of its contentions, and a copy of the final decision of the Principal Compliance Officer shall be given in writing to the applicant or recipient and to the complainant, if any.

(c) *Decisions on record where a hearing is waived.* Whenever a hearing is waived pursuant to § 1250.108, a decision shall be made by the Principal Compliance Officer on the record and a copy of such decision shall be given in writing to the applicant or recipient, and to the complainant, if any.

(d) *Rulings required.* Each decision of a hearing officer or the Principal Compliance Officer shall set forth his ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this part with

§ 1250.110

which it is found that the applicant or recipient has failed to comply.

(e) *Approval by administrator.* Any final decision of the NASA Principal Compliance Officer which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under this part or the Act, shall promptly be transmitted to the Administrator, who may approve such decision, may vacate it, or remit or mitigate any sanction imposed.

(f) *Content of orders.* The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which this regulation applies, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this part including provisions designed to assure that no Federal financial assistance to which this regulation applies will thereafter be extended to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to this part, or to have otherwise failed to comply with this part, unless and until it corrects its non-compliance and satisfies the Principal Compliance Officer that it will fully comply with this part.

(g) *Post termination proceedings.* (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with this regulation and provides reasonable assurance that it will fully comply with this regulation.

(2) Any applicant or recipient adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request the Principal Compliance Officer to restore fully the eligibility to receive Federal financial assistance. Any such request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If the Principal

14 CFR Ch. V (1–1–23 Edition)

Compliance Officer determines that those requirements have been satisfied, he shall restore such eligibility.

(3) If the Principal Compliance Officer denies any such request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes such official to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record, in accordance with rules of procedure issued by the Principal Compliance Officer. The applicant or recipient will be restored to such eligibility if it proves at such a hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section shall remain in effect.

§ 1250.110 Judicial review.

Action taken pursuant to section 602 of the Act is subject to judicial review as provided in section 603 of the Act.

§ 1250.111 Effect on other regulations; forms and instructions.

(a) *Effect on other regulations.* All regulations, orders, or like directions heretofore issued by any officer of NASA which impose requirements designed to prohibit any discrimination against individuals on the ground of race, color, or national origin under any program to which this part applies, and which authorize the suspension or termination of or refusal to grant or to continue Federal financial assistance to any applicant for or recipient of such assistance for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this part shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to the effective date of this Instruction. Nothing in this part, however, shall be deemed to supersede any of the following (including future amendments thereof): (1) Executive Orders 10925 and 11246 and regulations or instructions

issued thereunder, or (2) any other regulations or instructions, insofar as such other regulations or instructions prohibit discrimination on the ground of race, color, or national origin in any program or situation to which this part is inapplicable, or prohibit discrimination on any other ground.

(b) *Forms and instructions.* Each responsible NASA official shall issue and promptly make available to interested persons forms and detailed instructions and procedures for effectuating this part as applied to financial assistance to which this part applies and for which he is responsible.

(c) *Supervision and coordination.* The Administrator may assign to officials of other departments or agencies of the Government, with the consent of such departments or agencies, responsibilities in connection with the effectuation of the purposes of Title VI of the Act and this part (other than responsibility for final decision as provided in §1250.109), including the achievement of effective coordination and maximum uniformity within NASA and within the Executive Branch of the Government in the application of Title VI and this part to similar programs and in similar situations. Any action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this subsection shall have the same effect as though such action has been taken by the responsible official of this agency.

§ 1250.112 Relationship with other officials.

NASA officials, in performing the functions assigned to them by this part, are responsible for recognizing the delegations of authority and responsibility of other NASA officials and for seeing the actions taken or instructions issued by them are properly coordinated with the offices and divisions having joint interests.
