THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2016/1036 of the European Parliament and the Council of 8 June 2016 on protection against dumped imports from countries not members of the European Union ⁽¹⁾ (the 'basic Regulation'),Having regard to Commission Implementing Regulation (EU) 2019/1198 of 12 July 2019 imposing a definitive anti-dumping duty on imports of ceramic tableware and kitchenware originating in the People's Republic of China following an expiry review pursuant to Article 11(2) of Regulation (EU) 2016/1036 ⁽²⁾ ('the original Regulation'), and, in particular, Article 2 thereof,

Whereas:

A. MEASURES IN FORCE

- (1) On 13 May 2013, the Council imposed a definitive anti-dumping duty on imports into the Union of ceramic tableware and kitchenware ('the product concerned') originating in the People's Republic of China (the PRC) by Council Implementing Regulation (EU) No 412/2013 ⁽³⁾.
- (2) On 12 July 2019, following an expiry review pursuant to Article 11(2) of the basic Regulation, the Commission extended the measures for another five years by Implementing Regulation (EU) 2019/1198.
- (3) On 28 November 2019, following an anti-circumvention investigation pursuant to Articles 13(3) and 14(5) of the basic Regulation, the Commission amended Regulation (EU) 2019/1198 by Commission Implementing Regulation (EU) 2019/2131 ⁽⁴⁾.
- (4) In the original investigation, sampling was applied for investigating the exporting producers in the PRC in accordance with Article 17 of Regulation (EU) 2016/1036.
- (5) The Commission imposed individual anti-dumping duty rates ranging from 13,1 % to 23,4 % on imports of the product concerned for the sampled exporting producers. For the cooperating exporting producers that were not included in the sample, a duty rate of 17,9 % was imposed. The cooperating exporting producers not included in the sample are listed in Annex I of Implementing Regulation (EU) 2019/2131. Furthermore, a country-wide duty rate of 36,1 % was imposed on the product concerned from companies in the PRC which either did not make themselves known or did not cooperate with the investigation.
- (6) Pursuant to Article 2 of Implementing Regulation (EU) 2019/1198, the Commission may amend Annex I of that Regulation, by granting a new exporting producer the duty rate applicable to the cooperating companies not sampled or not granted individual treatment, namely the weighted average duty rate of 17,9 %, where any new exporting producer in the PRC provides sufficient evidence to the Commission that:
 - (a) it did not export to the Union the product concerned during the period of investigation on which the measures are based, that is from 1 January 2011 to 31 December 2011 ('the original investigation period');

⁽¹⁾ OJ L 176, 30.6.2016, p. 21.

⁽²⁾ OJ L 189, 15.7.2019, p. 8.

⁽³⁾ Council Implementing Regulation (EU) No 412/2013 of 13 May 2013 imposing a definitive anti-dumping duty and collecting definitively the provisional duty imposed on imports of ceramic tableware and kitchenware originating in the People's Republic of China (OJ L 131, 15.5.2013, p. 1).

⁽⁴⁾ Commission Implementing Regulation (EU) 2019/2131 of 28 November 2019 amending Implementing Regulation (EU) 2019/1198 imposing a definitive anti-dumping duty on imports of ceramic tableware and kitchenware originating in the People's Republic of China following an expiry review pursuant to Article 11(2) of Regulation (EU) 2016/1036 of the European Parliament and of the Council (OJ L 321, 12.12.2019, p. 139).

- (b) it is not related to any of the exporters or producers in the PRC which are subject to the anti-dumping measures imposed by the original Regulation; and
- (c) it has actually exported to the Union the product concerned after the end of the original investigation period or has entered into an irrevocable contractual obligation to export a significant quantity to the Union.

B. REQUEST FOR NEW EXPORTING PRODUCER TREATMENT

- (7) The group of related companies Huatai Ceramics Industry Limited, Hunan, China and Kerun Ceramics Manufactory Ltd. ('Huatai and Kerun' or the 'applicant'), submitted a request to the Commission to be granted new exporting producer treatment ('NEPT') and hence be subject to the duty rate applicable to the cooperating companies in the PRC not included in the sample, which is 17,9 %. The applicant claimed that it met all three conditions set out in Article 2 of the original Regulation.
- (8) In order to determine whether the applicant fulfilled the conditions for being granted NEPT, as set out in Article 2 of the original Regulation ('the NEPT conditions'), the Commission first sent a questionnaire to the applicant requesting evidence showing that it met the NEPT conditions.
- (9) Following the analysis of the questionnaire reply, the Commission requested further information and supporting evidence, which was submitted by the applicant.
- (10) The Commission sought to verify all information it deemed necessary for the purpose of determining whether the applicant met the NEPT conditions. To this end, the Commission analysed the evidence submitted by the applicant in its questionnaire reply, consulting various online databases including Orbis ⁽⁵⁾ and Qichacha ⁽⁶⁾ and cross-checking company information with information submitted in previous cases. In parallel, the Commission also informed the Union industry about the applicant's request and invited it to provide any comments if needed. No comments from Union industry were received.

C. ANALYSIS OF THE REQUEST

- (11) With regard to the condition set out in Article 2(a) of the original Regulation that the applicant did not export the product concerned to the Union during the period of investigation on which the measures are based, that is from 1 January 2011 to 31 December 2011 ('the original investigation period'), the Commission established that the applicant indeed did not export to the EU during the IP. Huatai was established in September 2010 as a domestic seller of ceramics. Its articles of association show that it did not have an export license until March 2012 and was not able to produce the product concerned until December 2012, which is after the IP. Kerun was established in October 2004. It did not obtain a license to produce the product concerned until July 2018 and did not get an export license until May 2019, both of which are after the IP. Therefore, the applicant fulfils this condition.
- (12) With regard to the condition set out in Article 2(b) of the original Regulation that the applicant is not related to any exporters or producers which are subject to the anti-dumping measures imposed by the original Regulation, the Commission established that the applicant was related to one of its main customers, the Malaysian trading company Fluxline Trading SDN BHD. However, this company is not located in the PRC and was not subject to the anti-dumping measures imposed by the original Regulation. No other relationships as defined by Commission Implementing Regulation (EU) 2015/2447 ⁽⁷⁾ were identified. Therefore, the applicant fulfils this condition.

⁽⁵⁾ Orbis is a global data provider of corporate information covering more than 220 million companies across the globe. It mainly provides standardised information on private companies and corporate structures.

⁽⁶⁾ Qichacha is a private, for-profit Chinese-owned database that delivers business data, credit information, and analytics on China-based private and public companies to consumers/professionals.

⁽⁷⁾ Commission Implementing Regulation (EU) 2015/2447 of 24 November 2015 laying down detailed rules for implementing certain provisions of Regulation (EU) No 952/2013 of the European Parliament and of the Council laying down the Union Customs Code (OJ L 343, 29.12.2015, p. 558). Article 127 stipulates that two persons shall be deemed to be related if one of the following conditions is fulfilled: (a) they are officers or directors of the other person's business; (b) they are legally recognised partners in business; (c) they are employer and employee; (d) a third party directly or indirectly owns or controls or holds 5 % or more of the outstanding voting stock or shares of both of them; (e) one of them directly or indirectly controls the other; (f) both of them are directly or indirectly controlled by a third person; (g) together they control a third person directly or indirectly; (h) they are members of the same family. Persons who are associated in business with one another in that one is the sole agent, sole distributor or sole concessionaire, however described, of the other shall be deemed to be related only if they fall within the criteria referred to in the preceding sentence.

- (13) With regard to the condition set out in Article 2(c) of the original Regulation, that the applicant has actually exported the product concerned to the Union after the original investigation period or has entered into an irrevocable contractual obligation to export a significant quantity to the Union, the Commission established that the applicant had exported to the Union in 2019, therefore after the original investigation period. The applicant submitted invoices, a packing list, a bill of lading and a receipt of payment for an order placed in 2019 by a company in Austria. Therefore, the applicant fulfils this condition.
- (14) Accordingly, the applicant fulfils all three conditions to be granted NEPT, as set out in Article 2 of the original Regulation and the request should therefore be accepted. Consequently, the applicant should be subject to an anti-dumping duty of 17,9 % for cooperating companies not included in the sample of the original investigation.

D. DISCLOSURE

- (15) The applicant and the Union industry were informed of the essential facts and considerations based on which it was considered appropriate to grant the anti-dumping duty rate applicable to the cooperating companies not included in the sample of the original investigation to Huatai Ceramics Industry Limited, Hunan, China and Kerun Ceramics Manufactory Ltd. ('Huatai and Kerun').
- (16) The parties were granted the possibility to submit comments. No comments were received.
- (17) The Regulation is in accordance with the opinion of the Committee established by Article 15(1) of the basic Regulation,
